BRING: Mask and indicator (it's not a clicker!!)

LUNCH WILL BE PROVIDED!

This is an annual training event, well attended and highly effective at getting you either trained from “scratch” as a new umpire, or refresher for current umpires. Build community with other volunteers in other parts of our district. Great training for coaches and managers too!!

OBJECTIVE: Get trained, get confident, make friends, ask lots of questions, HAVE FUN. We'll see you there.
